## Afflictions Pants

- - - - x

Affliction pants are a staple of edgy fashion, renowned for their bold designs and rebellious attitude. Embodying the essence of the alternative lifestyle, these pants often feature intricate graphics, distressed elements, and unique embellishments like studs or embroidery. They cater to those who embrace a rugged yet stylish aesthetic, drawing inspiration from rock and motorcycle culture. Affliction pants are not merely garments but statements, symbolizing a fearless approach to fashion and a refusal to conform to conventional norms.
